Connon Street, E.O. ROBERT WATSON, for further SUBSCRIPTIONS to snable them to redeem their Promises in regard PARIS. AND EUROPE: - MAYENGE, to the Recognition to be accorded to the FAVER & Co., 18, Rue de la Grange numerous Workers during the Last Year's

> It will be remembered that when the Appeal for FUNDS was first made, it was intimated that a sum of \$5,000 would probably be adequate to meet the cost of As SUBSURIPTIONS flowed in freely

from the EUROPEAN COMMUNITY and it was reasonably expected both that the CHINESE PENINSULAR COMMUNITY would materially help and that the Receipts from the PLAGUE CONCERTS would be substantial, it was estimated that a sum of \$6,500 would result from the Liberality of the Public.

Acting on this Estimate and being guided as to the probable cost of Medals by an expert, the COMMITTEE increased by 50 % the number of Gold Medals to be awarded. It now transpires that the Reliance of the COMMITTEE upon the CHINESE COMMUNITY and upon the PLAGUE CONCERTS was misplaced, ss, instead of sums of \$2,000 and \$1,500 stated at the time to be the sums derivable from these two sources, the total amounts actually received or still due are only \$145.00 and \$416.00 respectively: in addition to this, the Estimate of the charge for Medals locally ascertained has proved to be wide of the mark.

The Committee are in a position to state that the cost of Medals as they are now advised will be about \$5,500, that the Plate, &c., will cost \$1,800 and that a sum of at least \$700 will be required for Letters of Thanks, Contribution to Italian Convent and other Outgoings.

.Under the above circumstances, the Cox-MITTER make a FRESH APPEAL to the Generosity of the COMMUNITY for a SUM of \$3,000 AT LEAST, and trust that it will not be incumbent on them to go back on the Undertaking to which they have been committed by speech and record.

KEATING'S LOZENGES. KEATING'S LOZENGES. "A BIRPLE FAST ABOUT" KEATING'S COUGH LOZENGES. Ask throughout

the world, in any country that can be named, you will find them largely sold. There is absolutely no remedy that is so speedy in giving relief, so certain to cure, and yet the most delicate can take them. A TERRIBLE COUGH."

A TERRIBLE COUGH. "94. Commercial Road, Peekham, July 13.

"Dear Sir,—I am a poor hand at expressing my feeling, but I should like to thank you. Your lozenges ing, but I should like to thank you. Your loxenges have done wonders in relieving my cerible cough. Since I had the operation of "Trachetomy" (the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at St. Barthelomew's Hospital no one could possibly have had a more violent cough; it was so bad at times that it quite exhausted me. The mucus, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.—I am sir, yours truly, J. HILL.

UTTERLY UNRIVALLED. UTTERLY UNRIVALLED. The above speaks for itself. From strict inquiry it appears that the benefit from using Keating's Cough Lozenges is understated. The operation was a specially severe one and was performed by the speciality. Br. H. T. Butlin, of St. Bartholomew's Hospital. Since the operation the only means of relief is the use of these Lozenges. So successful are they that one affords immediate benefit, although from the nature of the case the throat irritation is intense.

WEIGHT IN GOLD. WEIGHT IN GOLD. Under date Sept. 8th, 1891, Mr. Hill again writes: "I should long since have been dead, but for your Lozenges—they are worth their weight in gold. I will gladly see and tell anyone what a splendid cough remedy they are.

Frar as we go to press we have been informed of a melancholy incident in the Fellbridge, Arthur Head, 14; Venus, pleamer Kaisar-I-Hind from Colombo to Hongkong. When the steamer was about 85 miles from Acheen, a lascar disappeared over the side. Believing he had fallen into the sea, Mr Cooper, second officer, sprang overboard to render assistance. The steamer was stopped and a boat manned. As it was being lowered, comething went wrong with the forward tackle and Mail of Jan. 15, left San Brancisco for the crew were thrown into the sea. There was the greatest excitement on board the steamer. Every effort was made to rescue the men, but Mr Cooper, a quartermaster and a lascar were lost: The other men were rescued with the greatest difficulty. We believe Mr Cooper had been awarded three medals for saving life at sea -the Albert, the Stanhope and the Royal Humano Society's medal.

> Concenning two high officials who have much to do in regard to British interests in the Far East at the present time it is carious, says a Home paper, that both Sir E. Fremantle and Sir W. Robinson's relatives should have obtained naval ominence. Sir W. Robinson's grandfather was Captain J. Robinson of the Indian Navy and for many years was one of the Elder Brethren of the Trinity House. His great uncle was Captain Richard Dey Syer, who fought as a midshipmen under Nelson in the battle of Trafalgar, and his mother's brother was Admiral F. Chevallier Syer who after he had retired from the Navy was for many years Chief Constable of Suffolk. The Barnadistons, Parkins, Halyfexes, and Syers claim to be the oldest families in Suffolk, and they have all furnished Her Majesty's Navy with distinguished officers. Representatives of each of their families are now in the Far East.
